

UGA Startup Extern Program

Prep the Startup with UGA Startup Externs

After the company has incorporated, the UGA Startup team will work with the founders and a UGA Startup Extern to develop a short pitch deck presentation (5-7 slides) that can be used for initial investor and partner meetings, competitions and general outreach. The Startup program is **currently recruiting students** to take part in the Prep the Startup process by taking the lead on developing the pitch deck.

Prerequisite: Participation in the UGA I-Corps Accelerator, UGA Idea Accelerator Program, or prior experience in a startup company or relevant industry experience

Extern Characteristics: Undergraduate or Graduate Student currently enrolled at UGA, preferably enrolled in the sciences or engineering or management

Project Scope: Develop a business case for the startup company through developing a pitch deck presentation with the founder team

Time Commitment: 5 hours per week with 2x meetings per month with the founders, UGA Startup mentor and Extern

Deliverable: 5-7 slide Pitch Deck with accompanying market research

If interested, please contact Tim Martin, Associate Director of the Startup Program, at tim.martin@uga.edu to schedule a consultation for your startup or to inquire about participation the Extern program.
