GOVERNORS, INDUSTRY AND EDUCATION LEADERS ANNOUNCE TRI-STATE MANUFACTURING PARTNERSHIP

August 27, 2025

TUSCALOOSA, Ala. — Area governors, power company executives and university presidents recently established the Mississippi–Alabama–Georgia Network for Evolving Transportation, or **MAGNET** for short — a regional economic development initiative aimed at leveraging the Southeastern U.S. automotive vehicle and battery industry to stimulate economic development and job growth.

This tri-state initiative, which will be

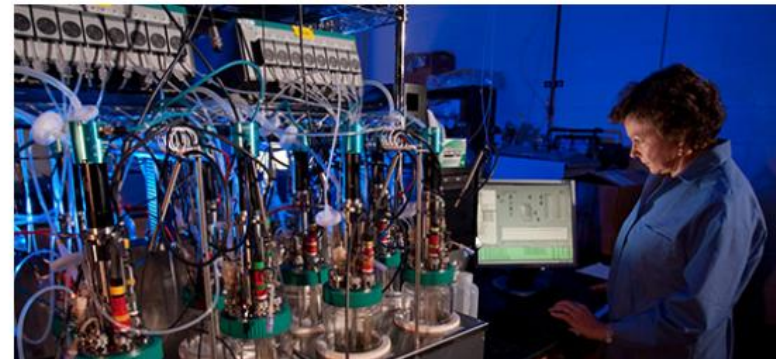

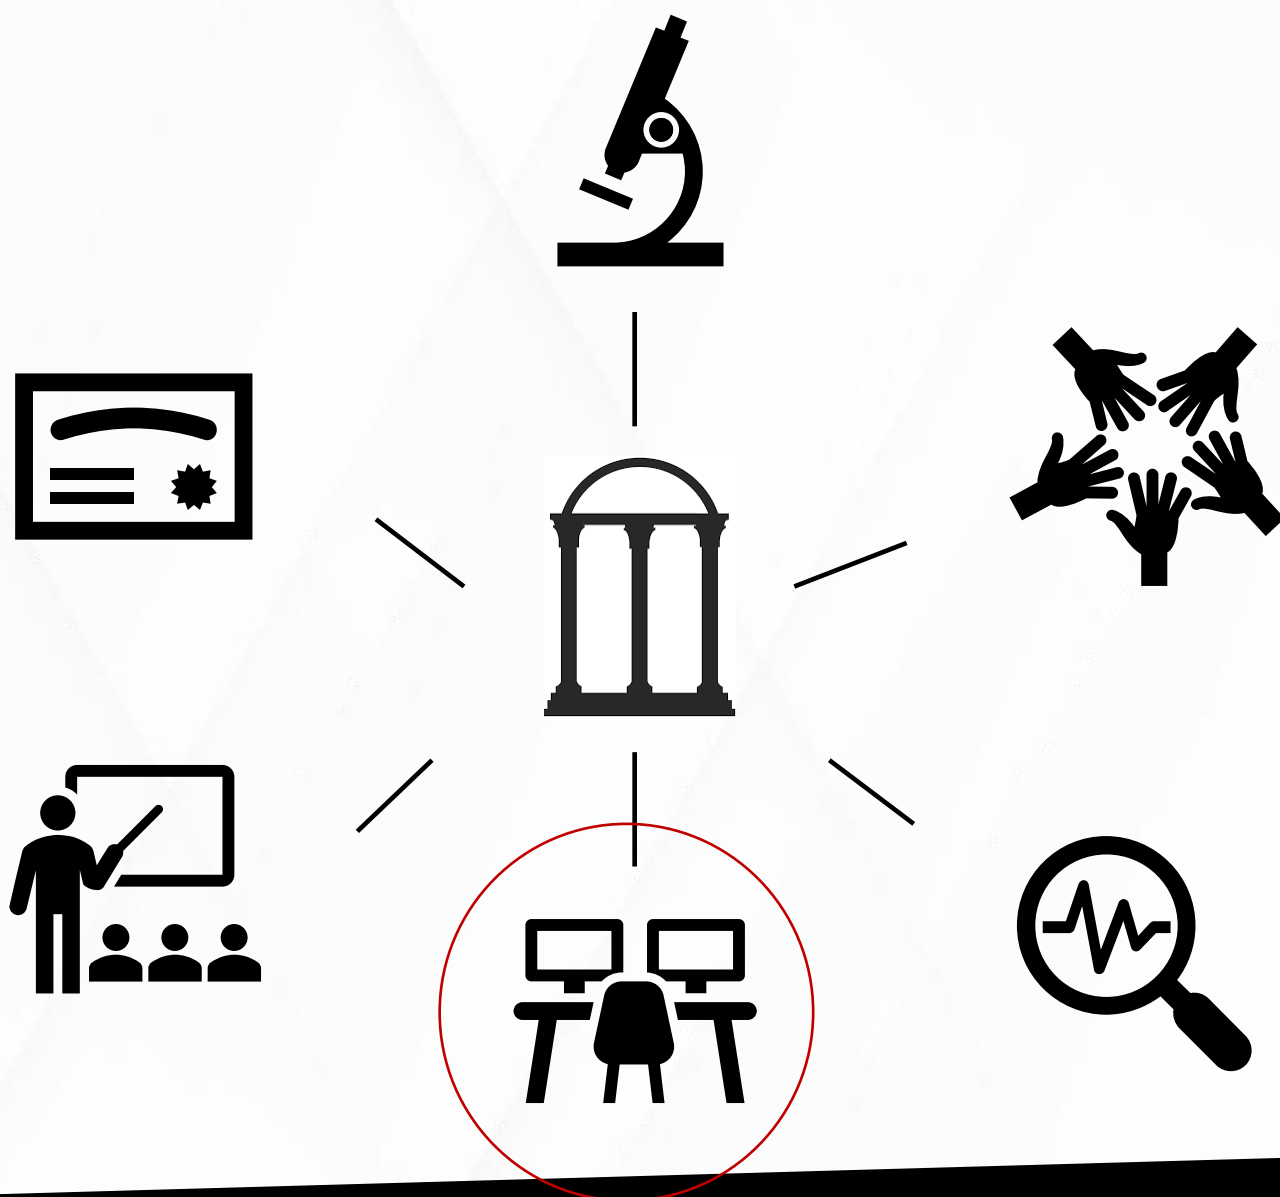

Core Facilities & Research Services

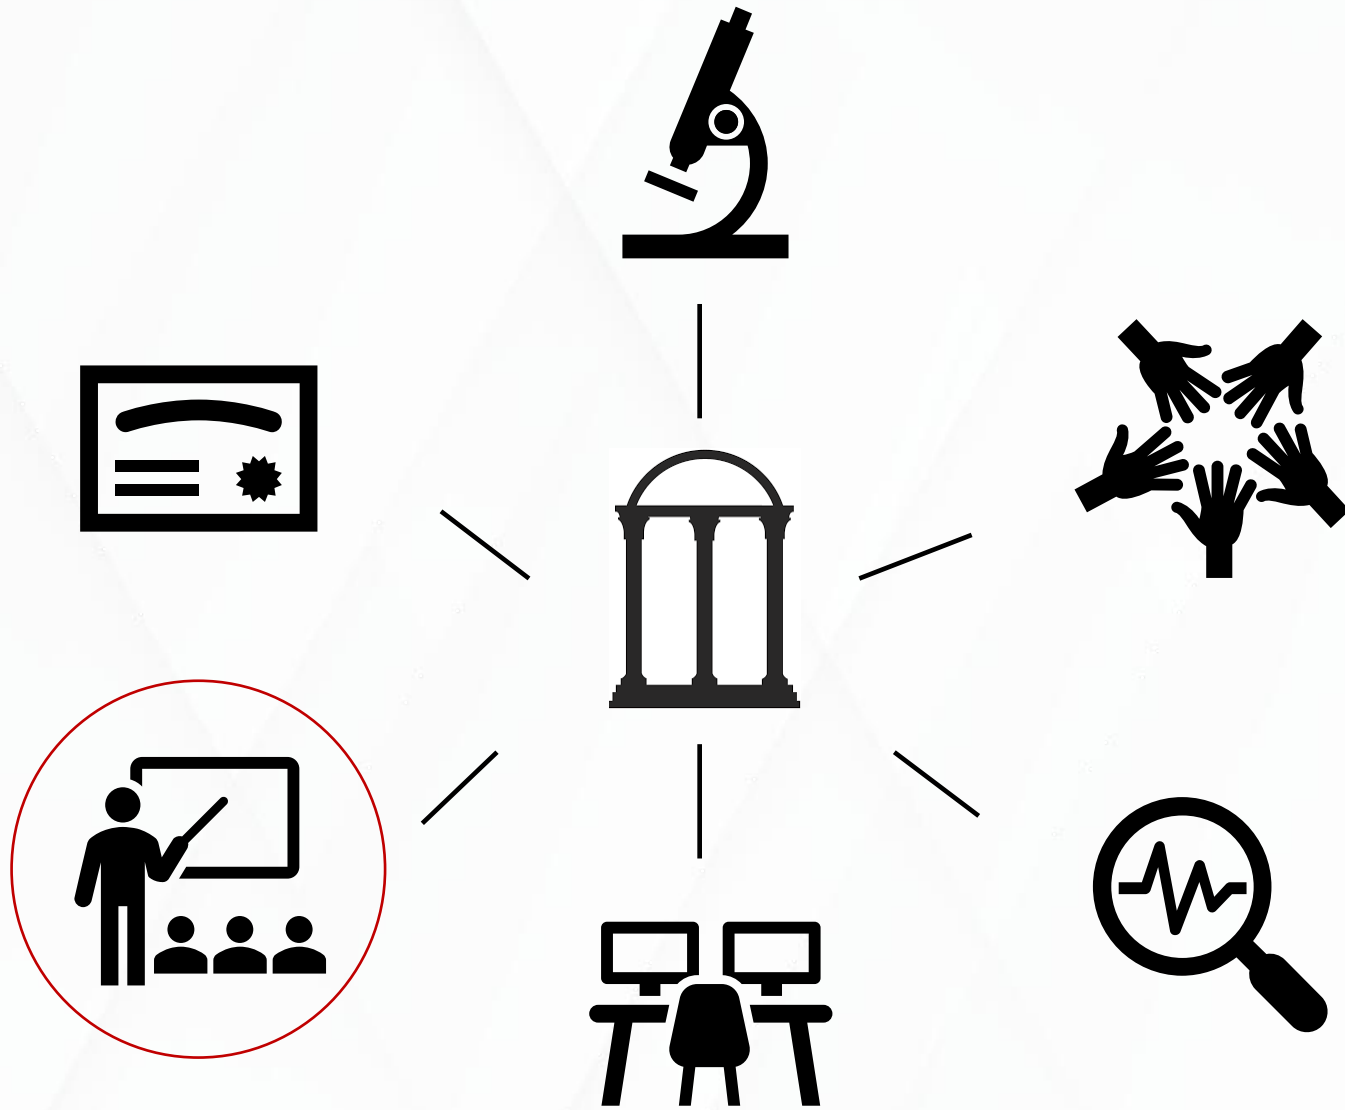

University of Georgia Core Facilities provide state-of-the-art equipment and services to researchers at UGA, other universities, government agencies, nonprofit organizations and industry. Getting Started

A promotional banner for the University of Georgia Business Engagement program. The background is a photograph of several people in business attire sitting around a table in a meeting room, engaged in conversation. The text is overlaid on the image. At the top center is the University of Georgia logo (a red shield with a white arch and the year 1785) followed by the text "UNIVERSITY OF GEORGIA Business Engagement". Below this, in large white capital letters, is "CONNECTING BUSINESSES WITH BULLDOGS". Underneath that, in smaller white capital letters, is "BUSINESS ENGAGEMENT AT UGA". A short paragraph of text follows: "As the front door for industry, we specialize in connecting companies to the exceptional talent and resources of the University of Georgia. Your business faces new challenges every day. We want to partner with you to create solutions that help your company thrive." At the bottom center is a red button with a white cursor icon and the text "LET'S GET STARTED". A yellow arrow points from the left towards this button.
