

Non-Radiation Worker Agreement Form

By signing this statement, I understand and agree to the following:

- I understand that the Principal Investigator (PI) listed below is an authorized user of Radioactive Materials (RAM) through a permit under UGA's Radiation Safety Program. I understand that I will have unsupervised access to one or more permitted spaces in order to perform non-RAM work, but access does NOT authorize me to use RAM or any equipment or work areas specifically designated for RAM work.
- I understand that should there be a need for me to use RAM or any equipment or work areas specifically designated for RAM work, I agree to complete the appropriate training (Radiation Safety Annual Refresher in PEP) and acquire a Radiation Worker Certificate from the PI before beginning these additional work duties.
- I understand that at any time I can address any questions or concerns to the PI or the Radiation Safety Office.
